Living On a Prayer

Tommy used to work on the docks
Union's been on strike
Hes down on his luck
It's tough, so tough
Gina works the diner all day
Working for her man, she brings home her pay

For love, for love
She says: "We've got to hold on to what we've got
'Cause it doesn't make a difference
If we make it or not
We've got each other and that's a lot
For love, we'll give it a shot"

Oh, we're half way there
Oh, oh, living on a prayer
Take my hand, we'll make it, I swear
Oh, oh, living on a prayer

Tommy got his six string in hock
Now, he's holding in what he used
To make it talk
So tough, it's tough
Gina dreams of running away
When she cries in the night
Tommy whispers: "Baby, it's okay, someday
We've got to hold on to what we've got
'Cause it doesn't make a difference
If we make it or not
We've got each other and that's a lot
For love, we'll give it a shot"

Oh, we're half way there
Oh, oh, living on a prayer
Take my hand, we'll make it, I swear
Oh, oh, living on a prayer
Living on a prayer
We've got to hold on, ready or not
You live for the fight when that's all that you've got

Oh, we're half way there
Oh, oh, living on a prayer
Take my hand, we'll make it, I swear
Oh, oh, living on a prayer

Oh, half way there
Oh, oh, living on a prayer
Take my hand and we'll make it, I swear
Oh, oh, living on a prayer
Oh, we're half way there
Whoah, living on a prayer

Pra Não Dizer Que Não Falei Das Flores

Caminhando e cantando e seguindo a canção
Somos todos iguais braços dados ou não
Nas escolas, nas ruas, campos, construções
Caminhando e cantando e seguindo a canção

{ Vem, vamos embora, que esperar não é saber,
Quem sabe faz a hora, não espera acontecer } x2

Pelos campos há fome em grandes plantações
Pelas ruas marchando indecisos cordões
Ainda fazem da flor seu mais forte refrão
E acreditam nas flores vencendo o canhão

{ Vem, vamos embora, que esperar não é saber,
Quem sabe faz a hora, não espera acontecer. } x2

Há soldados armados, amados ou não
Quase todos perdidos de armas na mão
Nos quartéis lhes ensinam uma antiga lição
De morrer pela pátria e viver sem razão

{ Vem, vamos embora, que esperar não é saber,
Quem sabe faz a hora, não espera acontecer. } x2

Vem, vamos embora, que esperar não é saber,
Quem sabe faz a hora, não espera acontecer.

Nas escolas, nas ruas, campos, construções
Somos todos soldados, armados ou não
Caminhando e cantando e seguindo a canção
Somos todos iguais braços dados ou não
Os amores na mente, as flores no chão
A certeza na frente, a história na mão
Caminhando e cantando e seguindo a canção
Aprendendo e ensinando uma nova lição

{ Vem, vamos embora, que esperar não é saber,
Quem sabe faz a hora, não espera acontecer. } x4

Child of Innocence

Sweet child of innocence
Living in the present tense
Father Time will take his toll
Rack your body and steal your soul
What became of all the years
Are you drowning in your tears
Who will catch you when you fall
Who will hear you when you call

I will comfort you
take your hand and see you through
I will take you through the door

Who do you think you are
Try to live forever and you won't get far
I wait behind your door
It makes no difference if you're rich or poor
Though you're weary and afraid
Still you try to flee my blade
Come and walk in my new land
If you'll only take my hand

I will comfort you
take your hand and see you through
I will take you through the door

In the image of those who have walked before me here
I am cast in the web of an ancient spell
I am holding on to life, I'm drifting in the stream
Everything's much clearer now
We live within a dream and never wake

Judge not by what you see
More than you can count are here with me
Give up your foolish pride
All that walk the earth have died!

What became of all the years
Are you drowning in your tears
Who will catch you when you fall
Who will hear you when you call

{ I will comfort you
take your hand and see you through } x2
I will take you through the door }

Carry on My Wayward Son

Carry on my wayward son
There'll be peace when you are done
Lay your weary head to rest
Don't you cry no more

Once I rose above the noise and confusion
Just to get a glimpse beyond this illusion
I was soaring ever higher
But I flew too high
Though my eyes could see I still was a blind man
Though my mind could think I still was a mad man
I hear the voices when I'm dreaming
I can hear them say:

Carry on my wayward son
There'll be peace when you are done
Lay your weary head to rest
Don't you cry no more

Masquerading as a man with a reason
My charade is the event of the season
And if I claim to be a wise man, well
It surely means that I don't know
On a stormy sea of moving emotion
Tossed about like a ship on the ocean
I set a course for winds of fortune
But I hear the voices say:

Carry on my wayward son
There'll be peace when you are done
Lay your weary head to rest
Don't you cry no more, No!

Carry on, you will always remember
Carry on, nothing equals the splendor
Now your life's no longer empty
Surely heaven waits for you

Carry on my wayward son
There'll be peace when you are done
Lay your weary head to rest
Don't you cry
Don't you cry no more!
No more!

No more!

People of The South Wind

There are some who can still remember
All the things that we used to do
But the days of our youth were numbered
And the ones who survive it are few
Oh, I can still see the smiling faces
When the times were so good
All in the old familiar places
I'd go back if I could (to the)

People of the south wind
It's the people of the wind,
people of the southern wind
It's the people of the south wind
I got to be there again
people of the southern wind

Well, it's a hard thing to face the music:
But it's something everybody has got to do
So I hope that I can always remember
All the crazy times we had to go through
Now it's a dream that is slowly fading
And I don't want it to go
All of the memories are evading
And I want you to know (it's the)

People of the south wind
It's the people of the wind,
people of the southern wind
It's the people of the south wind
I got to be there again
people of the southern wind

Now we've traveled all across the oceans
And we've seen what there is to see
But I guess it's not the proper solution
'Cause it's all about the same to me
Now I look back and it makes me wonder
Why we just couldn't see
All of the battles we fought and won there
And I wish that I could be with the

People of the south wind
It's the people of the wind,
people of the southern wind
It's the people of the south wind
I got to be there again
people of the southern wind

I got to be there again
people of the southern wind

People of the wind
I want to see 'em again
It's where we used to be free
And that's the place for me
It's just a state of my mind
A thing that's so hard to find

Relentless

In the time we spent together
Many words have passed between
And the feelings that we shared are all behind us now
'Cause a change has come upon me
And I'm surly not the same
There is so much more than what we feel and live every day

Relentless, unchanging
Though the world is still before me now
I'm seeing forever
I will keep my heart and mind with you
So joyously I'm waiting for the day

In a single timeless moment
When the old was cast away
The new was born into a world of simple joy
And my life is still for living
Though it's seen through different eyes
And the knowledge of the truth's
A burden easy to bear

Relentless, unchanging
Though the world is still before me now
I'm seeing forever
I will keep my heart and mind with you
So joyously I'm waiting for the day

It's drawing so near
It's shrouded in mystery
Histories fall, the end of an age
The feeling we're waiting for, hoping for
Now, the time to come alive
The end to which we strive
Will soon arrive

Now the gift is truly given
If you only would receive
For you're standing in the crossroads
And you can't turn back
Though we can't conceive forever
And it's sometimes hard to care
Our lives do not compare to what's awaiting us there

Relentless, unchanging
Though the world is still before me now
I'm seeing forever
I will keep my heart and mind with you
So joyously I'm waiting for the day

Play The Game Tonight

You think that something's happening
And it's bigger than your life

But it's only what you're hearing
Will you s'Till remember
When the morning light has come
Wil the songs be playing over and over
'Till you do it all over again

Play, play the game tonight
Can you tell me if it's wrong or right
Is it worth the time, is it worth the price
Do you see yourself in the white spotlight
Then play the game tonight

And when the curtains open
To the roaring of the crowd
You will feel it all around you
Then it finally happens
And it's all come true for you
And the songs are playing over and over
'Till they do it all over again

Play, play the game tonight
Can you tell me if it's wrong or right
Is it worth the time, is it worth the price
Do you see yourself in the white spotlight
Then play the game tonight

Play the game tonight
Can you tell me if it's wrong or right
Is it worth the time, is it worth the price
Do you see yourself in the bright light
Play the game tonight
Can you tell me if it's wrong or right
Is it worth the time, is it worth the price
Do you see yourself in the white spotlight (play the game tonight)

Right away,
love me right away
Won't you come on girl,
there's no other way
If I were you,
I would see it through
I'd be loving me,
I'd know what to do right away
Right away

How do you feel about me now
The time has come, you must decide
Where you will run, where you will hide
How will I know if you're alright
I can feel the warmth of you next to me
Hearing your voice inside my head
Don't ever leave me, tell me you'll stay
Don't let me go on living this way

Right away,
love me right away
Won't you come on girl,
there's no other way
If I were you,
I would see it through
I'd be loving me,
I'd know what to do right away
{Right away}x2

All of this days and nights we shared
Remember the good, forget the bad
All of the things that we've been through
Don't they mean anything to you
Oh, when the night comes I feel all alone
(I feel all alone)

Knowing that you won't be there
It was a good thing, what we once had
Can't live without it, I've gotta get it back

Right away,
love me right away
Won't you come on girl,
there's no other way
If I were you,
I would see it through

I'd be loving me,

Some of you may know me and many of you won't
I am just a player in the band
Some of you will listen and some of you will hear
Some of you may laugh at me and some of you will cheer
'Cause all of us, we are an audience
Looking for evidence, to help it all make sense

Have we left the answers far behind
Are we running from the light
And our legs are growing weaker
Chasing shadows in the night

Tell me have you noticed, the tide is rolling in
The waves are crashing harder now
The shore is wearing thin
The message in the bottle, has been lost at sea
But the word live on forever, it's meant to be

Have we left the answers far behind
Are we running from the light
And our legs are growing weaker
Chasing shadows in the night

How many times do I have to tell you
That things just can't go on this way
We've tried so many times but things go on the same
We've spent one too many years in all this pain
And the light is shining in your eyes
And still it makes you wonder

It's time we face it (are you blind can't you see)
It's time we face it

How long will we go on playin' this fool's game
How long will a candle burn its flame
We've tried, we've tried so man times, so many ways
When will we ever learn from our mistakes

And the point is either right or wrong
'Cause when I'm weak then I am strong
And the truth will find us all someday
And the price is more than you can pay

It's time we face it (are you blind can't you see)
It's time we face it (can't go on in misery)
It's time we face it (was it really meant to be)
It's time we face it (I don't know)

Play On

All of my life,
the wheels were turning
Drawing me near,
to something that's burning bright
The music begins,
a song that is new
Joining as one,
it leads me to you

Play on, play on,
lifting our voices to reach the sky
Play on, play on,
singing a song and my heart's on fire

My morning star,
has always been with me
Lifting me up,
when I couldn't carry on
Turning the page,
to each song I write
Leading me on,
on through the night

Play on, play on,
lifting our voices to reach the sky
Play on, play on,
singing a song and my heart's on fire

Living the song
Holding on to a dream that never dies
I open my eyes
Learning the word that never fade
Now it begins
Never to end
It's the prize I long for

Play on, play on,
lifting our voices to reach the sky
Play on, play on,
sound a refrain to be heard on high
Play on, play on,
singing a song and my heart's on fire

Crossfire

Underneath the sky of blue,
it's a time of choosing
Everybody's holding on,
to what they're losing
But it all works out okay,
if you give your life away
To the one who's holding fast,
it's a promise that will last

You're caught in a crossfire
Of a greater love than man has ever known
Caught in a crossfire
And you've got to choose which way you're gonna go
Caught in a crossfire
In a world of darkness turn to the light

Time's disappearing, all that you're fearing
Dreamers awaken, chances are taken away

There isn't any in-between, there's no escaping
If you step across the line, it's illuminating
And the words are clear and true
And they all were meant for you
For you harvest what you sow, so where you gonna go

You're caught in a crossfire
Of a greater love than man has ever known
Caught in a crossfire
And you've got to choose which way you're gonna go
Caught in a crossfire
In a world of darkness turn to the light

There's no pretending no other ending
All is forgiven, if you are living anew

Everybody faces it, now or later
You can't get around it, 'cause it's human nature
And deep within the hardest heart
There is something there that knows
There's a hunger life can never fill
'Til you face the one who rose

You're caught in a crossfire
Of a greater love than man has ever known
Caught in a crossfire

And you've got to choose which way you're gonna go
Caught in a crossfire
In a world of darkness turn to the light

Time's disappearing, all that you're fearing
Dreamers awaken, chances are taken
There's no pretending no other ending
All is forgiven, if you are living anew, living anew

You can take away the money
Take away the flame
Take away the things that I possess

The things that I need to survive
You can have it all

Don't ever, don't ever take your love away
Don't ever, don't ever take your love away

Don't take your love away
Don't
Don't take your love away

Don't ever

The years are passing by me
Like a fast train that's here and gone
It's gone
Where they go, I just don't know

But I don't care
'Cause there's something 'round the bend
And it's waiting there for me
So don't ever take it away

'Cause nothing means a thing unless you're here
To live without your love's my only fear
I just want to let you know
I can't make it on my own

Don't ever, don't ever take your love away
Don't ever, don't ever take your love away
Don't ever, don't ever
take your love away

Never before have I needed something so bad
I never thought I'd be willing to give up so much
The way that I feel when I look in your eyes, I want you
So don't take away what I need more than anything else

Incident on a Bridge

It began in the underground
with visions of light and sound
The music revealing the deepest passion
Around us a river raged
still I knew that the scene was staged
Awaiting the consequence
I don't believe in accidents

It's all too real
all these things we feel
As the years go by
things intensify
And I know, for each life there is a reason
And I know, for each time there is a season
The bridge leads on to a brighter dawn
It's waiting for me

We were tied by a bond of fate
in our hearts we could feel the weight
Carried along by the winds of fortune
The outcome was never known
and our purpose was never shown
'Til everything fell in place
the words on the wall we could not erase

It's all too real
all these things we feel
As the years go by
things intensify
And I know, for each life there is a reason
And I know, for each time there is a season
Now the bridge leads on to a brighter dawn
It's waiting for me

Each piece is arranged
the puzzle's complete
Victory's taste is so bittersweet
No regrets for the time that was lost
For it all comes out in the end

And the prize is worth all the tears that it cost
For the stairway you ascend
Drawing us on
unto the gate
It's where we belong

The world has a lot to give
but it's worthless if you don't live
And life only comes from the one who made it
When I look back, I see the plan
when I retrace the race we ran
The course was so clear and true
Each bridge that we crossed led me straight to you

It's all too real
all these things we feel
As the years go by
things intensify
And I know, for each life there is a reason
And I know, for each time there is a season
The bridge leads on to a brighter dawn
It's waiting for me

Always waiting for me
Oh I know, I know, I know, I know
I know, I know, I know, I know

Always waiting for me
Oh, oh, oh

Silhouettes in Disguise

Silhouettes debate then they test their fate
Pride is on the line the signs are dangerous
Hands too number to feel wrapped around the wheel
Tonight they face the fact some are never coming back

Silhouettes in Disguise leather hearts lawless eyes
Dancing shadows over rock and under fire
Some will cry "table's turned."
Some will die but none will learn
Silhouettes in Disguise crash and burn.

They pick the time and place then they fall from grace
They're riding on a rail trying to chase the dragon
Engines never cool trade their sins for fuel
That's what they're running on
When they're blown to kingdom come

Silhouettes in Disguise leather hearts lawless eyes
Dancing shadows over rock and under fire
Some will cry "table's turned."
Some will die but none will learn
Silhouettes in Disguise crash and burn.

Silhouettes in danger on the wrong side of the tracks
Eye to eye. Eye to eye.
Rising up in anger. Disguising their attacks
On the edges of the world.

Three Pretenders

Three pretenders forced their entry
There wasn't time to defend or attack
Somewhere inside I held their fury
But one by one my defenses began to crack

The first became a voice from my childhood
Without a world to call his own
Asking questions but doubting the answers
And too confused to stand up and face it alone

I can feel my body tremble
Like an animal under the gun
Can you feel your body tremble
Look in and see the eyes of Three Pretenders

The second came a shadowy hustler
Selling anything not nailed to the ground
He put a price on my resistance
And if it's high, I know he'll be marking it down

The third became a mysterious traveller
Stormy words like sea-weathered sails
His life was scarred with peaks and valleys
A haunted kingdom crumbling against the gales

I can feel my body tremble
Like an animal under the gun
Can you feel your body tremble
Look in and see the eyes of Three Pretenders

Tomb 19 was sacred 1.000 years or more
The Mayan king was restless a curse upon the door
His shrouds of royal fabric his journey to be made
To offer spirits good and evil 14 beads of jade

The jade had ancient power or so beliefs allege
To anyone who plundered they would drive him to the edge

If you take the treasures of Tomb 19
Let the curse remind you
Take the treasures of Tomb 19
But never look behind you

On the walls of limestone temples
Were medallions craved in stone
Describing what was waiting in the Eerie catacombs
Though time leaves them in ruins their silhouettes pervade
To guard the kings and heroes and the 14 beads of jade

If you take the treasures of Tomb 19
Let the curse remind you
Take the treasures of Tomb 19
But never look behind you

{ If you take the treasures of Tomb 19

Can't Cry Anymore

1.000 years could come and go
but we would never change
It doesn't matter how we try
our hearts remain the same
You see how quickly distance grows
close your eyes and it appears
And we've pretended long enough
no more time no more tears

I just can't cry
I can't cry anymore
While you throw our lives away
Throw them away

Something happened long ago
and we grew apart
We turned our heads the other way
and so we turned our hearts
But girl I'm not blaming you
and I'm not blaming me
It's just the way the story goes
we grew up but separately

I just can't cry
I can't cry anymore
While you throw our lives away
I just can't cry
I can't cry anymore
Throw them away

I just can't cry
I can't cry anymore
While you throw our lives away
I just can't cry
I can't cry anymore
Throw them away
Throw them away

Down Under

Traveling in a fried-out combie
On a hippie trail, head full of zombie
I met a strange lady, she made me nervous
She took me in and gave me breakfast
And she said

Do you come from a land down under?
Where women glow and men plunder?
Can't you hear, can't you hear the thunder?
You better run, you better take cover

Buying bread from a man in Brussels
He was six-foot-four and full of muscles
I said, "Do you speak-a my language?"
He just smiled and gave me a Vegemite sandwich
And he said

I come from a land down under
Where beer does flow and men chunder
Can't you hear, can't you hear the thunder?
You better run, you better take cover
Yeah

Lyin' in a den in Bombay
With a slack jaw, and not much to say
I said to the man, "Are you trying to tempt me
Because I come from the land of plenty?"
And he said

Do you come from a land down under? (oh yeah yeah)
Where women glow and men plunder?
Can't you hear, can't you hear the thunder?
You better run, you better take cover

{ Living in a land down under

Can't you hear, can't you hear the thunder?

Duração: 3 minutos e 23 segundos, aproximadamente.

Who Can It Be Now?

Who can it be knocking at my door?
Go away, don't come around here no more
Can't you see that it's late at night?
I'm very tired and I'm not feeling right

All I wish is to be alone
Stay away, don't you invade my home
Best off if you hang outside
Don't come in, I'll only run and hide

{Who can it be now?} X4

Who can it be knocking at my door?
Make no sound, tip-toe across the floor
If he hears, he'll knock all day
I'll be trapped and here I'll have to stay

I've done no harm, I keep to myself
There's nothing wrong with my state of mental health
I like it here with my childhood friend
Here they come, those feelings again

{Who can it be now?} X4

Is it the man come to take me away?
Why do they follow me?
It's not the future that I can see
It's just my fantasy

Oh, who can it be now?
{Who can it be now?} X3

Oh, who can it be now?
Oh, yeah, who can it, who can it
Oh, who can it be now?
Oh, yeah, yeah, yeah

Inside of Love

Watching terrible TV
It kills all thoughts
Getting spacier than
An astronaut

Making out with people
I hardly know or like
I can't believe what I do
Late at night

I wanna know what it's like
On the inside of love
I'm standing at the gates
I see the beauty above

Only when we get to see
The aerial view
Will the patterns show
We'll know what to do

I know the last page so well
I can't read the first
So I just don't start
It's getting worse

I wanna know what it's like
On the inside of love
I'm standing at the gates
I see the beauty above

I wanna know what it's like
On the inside of love
I can't find my way in
I try again and again

I'm on the outside of love
Always under or above
I can't find my way in
I try again and again

I'm on the outside of love
Always under or above
Must be a different view
To be a me with a you

I wanna know what it's like
On the inside of love
I'm standing at the gates
I see the beauty above

I wanna know what it's like
On the inside of love
Of course I'll be alright
I just had a bad night

I had a bad night...

Neither Heaven Nor Space

So quiet
It's neither heaven nor space, it's just high
And the ring around the moon
looks like light and love
Neither of which I get enough of
Down there
Where alot of people lie, In a deep sleep
And months on end go by, in a single week
Down there
But much too slow
Can't you see I'm trying so hard to plug up this hole
The air is running out we're sinking much too low
And if you sit long enough
you can hear ghost trains
As if the city speed
is just in our brains
And coke's close as we get to sugar cane
Down there
But much too slow
Can't you see I'm trying so hard to plug up this hole,
The air is running out we're sinking much too low
So quiet, So quiet
It's neither heaven nor space, It's just high
And the ring around the moon
Looks like light and love
Neither of which I get enough of

Not My Slave

With sadness in my heart and joy in my mind
I thought about the ghosts that we've left behind
With everyone around telling us what to do
With deafening sound whisper "I love you"

The fire in your eyes, may it never go out
The sweetness of your tears make it feel like night
I see no escape from the roles we always play
What do we have to prove on this judgment day?

And you're mine now but you're not my sister
And you're mine now but you're not my slave
And you're mine but you're not my child
And you're mine now but you're not my slave

You're missin' the whole point, you're not my little pet
Don't throw away your life, the game's not over yet
I do not own your soul, don't want you in a cage
I only want your heart to find that special place

You're missing the whole point, you're not my little pet
Don't throw away your life, the game's not over

You're mine but you're not my sister
You're mine now but you're not my slave
You're mine but you're not my child
You're mine now but you're not my slave
You're mine now but you're not my slave

With sand in my heart and clouds in my head
I thought about us both and the lives we've led
From pages in a book and pictures on a screen
We make ourselves like clay from someone else's dream

One second you are cast just like stones at my feet
But I am not a King please don't worship me
With everyone around telling us what to do
With deafening sound whisper "I love you"

You're missing the whole point, you're not my little pet
Don't throw away your life, the game's not over yet
I do not own your soul, don't want you in a cage
I only want your heart to find that special place

Made In Heaven

I'm taking my right with destiny
Willing to play my part
Living with painful memories
Loving with all my heart

Made in heaven, made in heaven
It was all meant to be, yeah
Made in heaven, made in heaven
That's what they say
Can't you see
That's what everybody says to me
Can't you see
Oh I know, I know, I know, that it's true
Yes it's really meant to be
Deep in my heart

I'm having to learn to pay the price
They're turning me upside down
Waiting for possibilities
Don't see too many around
Made in heaven, yes made in heaven
It's for all to see
Made in heaven, made in heaven
That's what everybody says
Everybody says to me
It was really meant to be
Oh can't you see
Yeah, everybody, everybody says
Yes it was meant to be
Yeah, yeah

When stormy weather comes around
It was made in heaven
When sunny skies break through behind the clouds
I wish it could last forever, yeah
Wish it could last forever, forever

I'm playing my role in history
Looking to find my goal
Taking in all this misery
But giving it all my soul
Made in heaven, made in heaven
It was all meant to be
Made in heaven, made in heaven
That's what everybody says

Wait and see, it was really meant to be
So plain to see
Yeah, everybody, everybody, everybody tells me so
Yes it was plain to see, yes it was meant to be
Written in the stars...
Written in the stars...

Preacher

When I was a kid I used to buy and sell gravity
I knew how to fly, and I would teach you for a fee
Broke every window in my hotel heart
When I was only 5 years old, the 12 years scar
I'd hear the same voice, echo in my mind
See son you got an angel, to chase the devil at the night

When I was a kid, my grandfather was a preacher
He'd talked about God, yeah he was something like a teacher
He said "God only helps those who learn to help themselves"
He was a million miles from a million dollars
But you can never spend his wealth

I took a little faith and put it in a parking lot
I drove to a strange town full of have and have nots
Yeah, and as I walked through that story book of life
I've been looking for an angel
To chase the devil at night, whoa

When I was a kid, my grandfather was a preacher
He'd talked about love, yeah he was something like a teacher
He said "God only helps those who learn to help themselves"
He was a million miles from a million dollars

Pet Sematary

Under the arc of a weather stain boards
Ancient goblins, and warlords
Come out of the ground, not making a sound
The smell of death is all around
And the night when the cold wind blows
No one cares, nobody knows

{ I don't want to be buried in a pet cemetery }
I don't want to live my life again } x2

Follow Victor to the sacred place
This ain't a dream, I can't escape
Molars and fangs, the clicking of bones
Spirits moaning among the tombstones
And the night, when the moon is bright
Someone cries, something ain't right

{ I don't want to be buried in a pet cemetery }
I don't want to live my life again } x2

The moon is full, the air is still
All of a sudden I feel a chill
Victor is grinning, flesh rotting away
Skeletons dance, I curse this day
And the night when the wolves cry out
Listen close and you can hear me shout

{ I don't want to be buried in a pet cemetery }
I don't want to live my life again } x2

I don't want to live my life again, oh, no, oh, no
I don't want to live my life again, oh, no, no, no

Poison Heart

No one ever thought this one would survive
Helpless child, gonna walk a drum beat behind
Lock you in a dream, never let you go
Never let you laugh or smile, not you.

Well, I just want to walk right out of this world,
'Cause everybody has a poison heart
I just want to walk right out of this world,
'Cause everybody has a poison heart.

Making friends with a homeless torn up man
He just kind of smiles, it really shakes me up.
There's danger on every corner but I'm okay
Walking down the street trying to forget yesterday.

Well, I just want to walk right out of this world,
'Cause everybody has a poison heart.
I just want to walk right out of this world,
'Cause everybody has a poison heart,
a poison heart, a poison heart, a poison heart ... yeah!

You know that life really takes its toll
And a poet's gut reaction is to search his very soul
So much damn confusion before my eyes,
But nothing seems to phase me and this one still survives.

I just want to walk right out of this world,
'Cause everybody has a poison heart.
I just want to walk right out of this world,
'Cause everybody has a poison heart,
Well, I just want to walk right out of this world,
'Cause everybody has a poison heart.
a poison heart, a poison heart, a poison heart.
a poison heart, a poison heart, a poison heart.

If your heart is breaking

I will not forsake you ever
Don't cry alone.

Through the autumn rainfalls
I'll be your shoulder
If the winds of love grow colder
Don't cry alone.

Surely as the sun sets
New suns are rising
As winter herolds spring's horizon
Don't cry alone.

Don't you ever doubt me you lead
I will follow
Sweep away all pain and sorrow
Don't cry alone.
No, don't cry alone.

No, don't you ever doubt me
I'll be there for you forever
Don't you ever cry
I'll sweep away your tears and sorrow
And I will be with you close tomorrow
I'll be with you

Don't cry alone
I'm yours

'Cause they don't get your soul or your fire

Everybody Wants to Rule the World

Welcome to your life
there's no turning back
Even while we sleep we will find
You acting on your best behavior
Turn your back on mother nature
Ev'rybody wants to rule the world

It's my own desire
it's my own remorse
Help me to decide
help me make the most
Of freedom and of pleasure
Nothing ever lasts forever
Everybody wants to rule the world

There's a room where the light won't find you
Holding hands while the walls come tumbling down
When they do, I'll be right behind you
So glad we've almost made it
So sad they had to fade it
Ev'rybody wants to rule the world

I can't stand this indecision
Married with a lack of vision
Everybody wants to rule the world
Say that you'll never, never, never, need it
One headline, why believe it?
Everybody wants to rule the world

Of freedom and of pleasure
Nothing ever lasts forever
Everybody wants to rule the world

E' iniziato tutto per un tuo capriccio
Io non mi fidavo era solo sesso
Ma il sesso è un'attitudine
Come l'arte in genere
E forse l'ho capito e sono qui
Scusa sai se provo a insistere
Divento insopportabile
Ma ti amo, ti amo, ti amo
Ci risiamo vabbè, è antico, ma ti amo

E scusa se ti amo e se ci conosciamo
Da due mesi o poco più
E scusa se non parlo piano
Ma se non urlo muoio
Non so se sai che ti amo
E scusami se rido, dall'imbarazzo cedo
Ti guardo fisso e tremo
All'idea di averti accanto
E sentirmi tuo soltanto
E sono qui che parlo emozionato
E sono un imbranato
E sono un imbranato

Ciao come stai?
Domanda inutile

Ma a me l'amore mi rende prevedibile
Parlo poco, lo so è strano, guido piano
Sarà il vento, sarà il tempo, sarà fuoco

E scusa se ti amo e se ci conosciamo
Da due mesi o poco più
E scusa se non parlo piano
Ma se non urlo muoio
Non so se sai che ti amo
E scusami se rido, dall'imbarazzo cedo
Ti guardo fisso e tremo

E sono qui che parlo emozionato
