## Living On a Prayer

Tommy used to work on the docks  
Union's been on strike  
Hes down on his luck  
It's tough, so tough  
Gina works the diner all day  
Working for her man, she brings home her pay

For love, for love  
She says: "We've got to hold on to what we've got  
'Cause it doesn't make a difference  
If we make it or not  
We've got each other and that's a lot  
For love, we'll give it a shot"

Oh, we're half way there  
Oh, oh, living on a prayer  
Take my hand, we'll make it, I swear  
Oh, oh, living on a prayer

Tommy got his six string in hock  
Now, he's holding in what he used  
To make it talk  
So tough, it's tough  
Gina dreams of running away  
When she cries in the night  
Tommy whispers: "Baby, it's okay, someday  
We've got to hold on to what we've got  
'Cause it doesn't make a difference  
If we make it or not  
We've got each other and that's a lot  
For love, we'll give it a shot"

Oh, we're half way there  
Oh, oh, living on a prayer  
Take my hand, we'll make it, I swear  
Oh, oh, living on a prayer  
Living on a prayer  
We've got to hold on, ready or not  
You live for the fight when that's all that you've got

Oh, we're half way there  
Oh, oh, living on a prayer  
Take my hand, we'll make it, I swear  
Oh, oh, living on a prayer

Oh, half way there  
Oh, oh, living on a prayer

Oh, half way there  
Oh, oh, living on a prayer  
Take my hand and we'll make it, I swear  
Oh, oh, living on a prayer  
Oh, we're half way there  
Whoah, living on a prayer

## Child of Innocence

Sweet child of innocence  
Living in the present tense  
Father Time will take his toll  
Rack your body and steal your soul  
What became of all the years  
Are you drowning in your tears  
Who will catch you when you fall  
Who will hear you when you call

I will comfort you  
take your hand and see you through  
I will take you through the door

Who do you think you are  
Try to live forever and you won't get far  
I wait behind your door  
It makes no difference if you're rich or poor  
Though you're weary and afraid  
Still you try to flee my blade  
Come and walk in my new land  
If you'll only take my hand

I will comfort you  
take your hand and see you through  
I will take you through the door

In the image of those who have walked before me here  
I am cast in the web of an ancient spell  
I am holding on to life, I'm drifting in the stream  
Everything's much clearer now  
We live within a dream and never wake

Judge not by what you see  
More than you can count are here with me  
Give up your foolish pride  
All that walk the earth have died!

What became of all the years  
Are you drowning in your tears  
Who will catch you when you fall  
Who will hear you when you call

{ I will comfort you  
take your hand and see you through } x2  
I will take you through the door }

## Carry on My Wayward Son

Carry on my wayward son  
There'll be peace when you are done  
Lay your weary head to rest  
Don't you cry no more

Once I rose above the noise and confusion  
Just to get a glimpse beyond this illusion  
I was soaring ever higher  
But I flew too high  
Though my eyes could see I still was a blind man  
Though my mind could think I still was a mad man  
I hear the voices when I'm dreaming  
I can hear them say:

Carry on my wayward son  
There'll be peace when you are done  
Lay your weary head to rest  
Don't you cry no more

Masquerading as a man with a reason  
My charade is the event of the season  
And if I claim to be a wise man, well  
It surely means that I don't know  
On a stormy sea of moving emotion  
Tossed about like a ship on the ocean  
I set a course for winds of fortune  
But I hear the voices say:

Carry on my wayward son  
There'll be peace when you are done  
Lay your weary head to rest  
Don't you cry no more, No!

Carry on, you will always remember  
Carry on, nothing equals the splendor  
Now your life's no longer empty  
Surely heaven waits for you

Carry on my wayward son  
There'll be peace when you are done  
Lay your weary head to rest  
Don't you cry  
Don't you cry no more!  
No more!

No more!

## Relentless

In the time we spent together  
Many words have passed between  
And the feelings that we shared are all behind us now  
'Cause a change has come upon me  
And I'm surly not the same  
There is so much more than what we feel and live every day

Relentless, unchanging  
Though the world is still before me now  
I'm seeing forever  
I will keep my heart and mind with you  
So joyously I'm waiting for the day

In a single timeless moment  
When the old was cast away  
The new was born into a world of simple joy  
And my life is still for living  
Though it's seen through different eyes  
And the knowledge of the truth's  
A burden easy to bear

Relentless, unchanging  
Though the world is still before me now  
I'm seeing forever  
I will keep my heart and mind with you  
So joyously I'm waiting for the day

It's drawing so near  
It's shrouded in mystery  
Histories fall, the end of an age  
The feeling we're waiting for, hoping for  
Now, the time to come alive  
The end to which we strive  
Will soon arrive

Now the gift is truly given  
If you only would receive  
For you're standing in the crossroads  
And you can't turn back  
Though we can't conceive forever  
And it's sometimes hard to care  
Our lives do not compare to what's awaiting us there

Relentless, unchanging  
Though the world is still before me now  
I'm seeing forever  
I will keep my heart and mind with you  
So joyously I'm waiting for the day

## Don't Take Your Love Away

You can take away the money  
Take away the flame  
Take away the things that I possess

You can take all my dreams away  
The things that I need to survive  
You can have it all

Don't ever, don't ever take your love away  
Don't ever, don't ever take your love away  
Don't ever, don't ever  
Don't take your love away  
Don't  
Don't take your love away  
Don't  
Don't ever

The years are passing by me  
Like a fast train that's here and gone  
It's gone  
Where they go, I just don't know

But I don't care  
'Cause there's something 'round the bend  
And it's waiting there for me  
So don't ever take it away

'Cause nothing means a thing unless you're here  
To live without your love's my only fear  
I just want to let you know  
I can't make it on my own

Don't ever, don't ever take your love away  
Don't ever, don't ever take your love away  
Don't ever, don't ever  
take your love away  
Don't  
Don't take your love away  
Don't  
Don't ever

Never before have I needed something so bad  
I never thought I'd be willing to give up so much  
The way that I feel when I look in your eyes, I want you  
So don't take away what I need more than anything else

Don't ever, don't ever

Don't

Take your love away

Don't ever, don't ever take your love away

Don't ever, don't ever take your love away

Don't ever, don't ever take your love away

Don't ever, don't ever take your love away

## Incident on a Bridge

It began in the underground  
with visions of light and sound  
The music revealing the deepest passion  
Around us a river raged  
still I knew that the scene was staged  
Awaiting the consequence  
I don't believe in accidents

It's all too real  
all these things we feel  
As the years go by  
things intensify  
And I know, for each life there is a reason  
And I know, for each time there is a season  
The bridge leads on to a brighter dawn  
It's waiting for me

We were tied by a bond of fate  
in our hearts we could feel the weight  
Carried along by the winds of fortune  
The outcome was never known  
and our purpose was never shown  
'Til everything fell in place  
the words on the wall we could not erase

It's all too real  
all these things we feel  
As the years go by  
things intensify  
And I know, for each life there is a reason  
And I know, for each time there is a season  
Now the bridge leads on to a brighter dawn  
It's waiting for me

Each piece is arranged  
the puzzle's complete  
Victory's taste is so bittersweet  
No regrets for the time that was lost  
For it all comes out in the end

And the prize is worth all the tears that it cost  
For the stairway you ascend  
Drawing us on  
unto the gate  
It's where we belong

The world has a lot to give

The world has a lot to give  
but it's worthless if you don't live  
And life only comes from the one who made it  
When I look back, I see the plan  
when I retrace the race we ran  
The course was so clear and true  
Each bridge that we crossed led me straight to you

It's all too real  
all these things we feel  
As the years go by  
things intensify  
And I know, for each life there is a reason  
And I know, for each time there is a season  
The bridge leads on to a brighter dawn  
It's waiting for me

Always waiting for me  
Oh I know, I know, I know, I know  
I know, I know, I know, I know

Always waiting for me  
Oh, oh, oh

## Silhouettes in Disguise

Silhouettes debate then they test their fate  
Pride is on the line the signs are dangerous  
Hands too number to feel wrapped around the wheel  
Tonight they face the fact some are never coming back

Silhouettes in Disguise leather hearts lawless eyes  
Dancing shadows over rock and under fire  
Some will cry "table's turned."  
Some will die but none will learn  
Silhouettes in Disguise crash and burn.

They pick the time and place then they fall from grace  
They're riding on a rail trying to chase the dragon  
Engines never cool trade their sins for fuel  
That's what they're running on  
When they're blown to kingdom come

Silhouettes in Disguise leather hearts lawless eyes  
Dancing shadows over rock and under fire  
Some will cry "table's turned."  
Some will die but none will learn  
Silhouettes in Disguise crash and burn.

Silhouettes in danger on the wrong side of the tracks  
Eye to eye. Eye to eye.  
Rising up in anger. Disguising their attacks  
On the edges of the world.

Silhouettes in Disguise leather hearts lawless eyes  
Dancing shadows over rock and under fire  
Some will cry "table's turned."  
Some will die but none will learn  
Silhouettes in Disguise crash and burn

### Three Pretenders

Three pretenders forced their entry  
There wasn't time to defend or attack  
Somewhere inside I held their fury  
But one by one my defenses began to crack

The first became a voice from my childhood  
Without a world to call his own  
Asking questions but doubting the answers  
And too confused to stand up and face it alone

I can feel my body tremble  
Like an animal under the gun  
Can you feel your body tremble  
Look in and see the eyes of Three Pretenders

The second came a shadowy hustler  
Selling anything not nailed to the ground  
He put a price on my resistance  
And if it's high, I know he'll be marking it down

The third became a mysterious traveller  
Stormy words like sea-weathered sails  
His life was scarred with peaks and valleys  
A haunted kingdom crumbling against the gales

I can feel my body tremble  
Like an animal under the gun  
Can you feel your body tremble  
Look in and see the eyes of Three Pretenders

## Tomb 19

Tomb 19 was sacred 1.000 years or more  
The Mayan king was restless a curse upon the door  
His shrouds of royal fabric his journey to be made  
To offer spirits good and evil 14 beads of jade

The jade had ancient power or so beliefs allege  
To anyone who plundered they would drive him to the edge

If you take the treasures of Tomb 19  
Let the curse remind you  
Take the treasures of Tomb 19  
But never look behind you

On the walls of limestone temples  
Were medallions craved in stone  
Describing what was waiting in the Eerie catacombs  
Though time leaves them in ruins their silhouettes pervade  
To guard the kings and heroes and the 14 beads of jade

If you take the treasures of Tomb 19  
Let the curse remind you  
Take the treasures of Tomb 19  
But never look behind you

## Can't Cry Anymore

1.000 years could come and go  
but we would never change  
It doesn't matter how we try  
our hearts remain the same  
You see how quickly distance grows  
close your eyes and it appears  
And we've pretended long enough  
no more time no more tears

I just can't cry  
I can't cry anymore  
While you throw our lives away  
Throw them away

Something happened long ago  
and we grew apart  
We turned our heads the other way  
and so we turned our hearts  
But girl I'm not blaming you  
and I'm not blaming me  
It's just the way the story goes  
we grew up but separately

I just can't cry  
I can't cry anymore  
While you throw our lives away  
I just can't cry  
I can't cry anymore  
Throw them away

I just can't cry  
I can't cry anymore  
While you throw our lives away  
I just can't cry  
I can't cry anymore

## Down Under

Traveling in a fried-out combie  
On a hippie trail, head full of zombie  
I met a strange lady, she made me nervous  
She took me in and gave me breakfast  
And she said

Do you come from a land down under?  
Where women glow and men plunder?  
Can't you hear, can't you hear the thunder?  
You better run, you better take cover

Buying bread from a man in Brussels  
He was six-foot-four and full of muscles  
I said, "Do you speak-a my language?"  
He just smiled and gave me a Vegemite sandwich  
And he said

I come from a land down under  
Where beer does flow and men chunder  
Can't you hear, can't you hear the thunder?  
You better run, you better take cover  
Yeah

Lyin' in a den in Bombay  
With a slack jaw, and not much to say  
I said to the man, "Are you trying to tempt me  
Because I come from the land of plenty?"  
And he said

Do you come from a land down under? (oh yeah yeah)  
Where women glow and men plunder?  
Can't you hear, can't you hear the thunder?  
You better run, you better take cover

## Who Can It Be Now?

Who can it be knocking at my door?  
Go away, don't come around here no more  
Can't you see that it's late at night?  
I'm very tired and I'm not feeling right

All I wish is to be alone  
Stay away, don't you invade my home  
Best off if you hang outside  
Don't come in, I'll only run and hide

{Who can it be now?} X4

Who can it be knocking at my door?  
Make no sound, tip-toe across the floor  
If he hears, he'll knock all day  
I'll be trapped and here I'll have to stay

I've done no harm, I keep to myself  
There's nothing wrong with my state of mental health  
I like it here with my childhood friend  
Here they come, those feelings again

{Who can it be now?} X4

Is it the man come to take me away?  
Why do they follow me?  
It's not the future that I can see  
It's just my fantasy

Oh, who can it be now?  
{Who can it be now?} X3

Oh, who can it be now?  
Oh, yeah, who can it, who can it

## Inside of Love

Watching terrible TV  
It kills all thoughts  
Getting spacier than  
An astronaut

Making out with people  
I hardly know or like  
I can't believe what I do  
Late at night

I wanna know what it's like  
On the inside of love  
I'm standing at the gates  
I see the beauty above

Only when we get to see  
The aerial view  
Will the patterns show  
We'll know what to do

I know the last page so well  
I can't read the first  
So I just don't start  
It's getting worse

I wanna know what it's like  
On the inside of love  
I'm standing at the gates  
I see the beauty above

I wanna know what it's like  
On the inside of love  
I can't find my way in  
I try again and again

I'm on the outside of love  
Always under or above  
I can't find my way in  
I try again and again

I'm on the outside of love  
Always under or above  
Must be a different view  
To be a me with a you

I wanna know what it's like  
On the inside of love  
I'm standing at the gates  
I see the beauty above

I wanna know what it's like  
On the inside of love  
Of course I'll be alright  
I just had a bad night

I had a bad night...

## Neither Heaven Nor Space

So quiet  
It's neither heaven nor space, it's just high  
And the ring around the moon  
looks like light and love  
Neither of which I get enough of  
Down there  
Where alot of people lie, In a deep sleep  
And months on end go by, in a single week  
Down there  
But much too slow  
Can't you see I'm trying so hard to plug up this hole  
The air is running out we're sinking much too low  
And if you sit long enough  
you can hear ghost trains  
As if the city speed  
is just in our brains  
And coke's close as we get to sugar cane  
Down there  
But much too slow  
Can't you see I'm trying so hard to plug up this hole,  
The air is running out we're sinking much too low  
So quiet, So quiet  
It's neither heaven nor space, It's just high

## Not My Slave

With sadness in my heart and joy in my mind  
I thought about the ghosts that we've left behind  
With everyone around telling us what to do  
With deafening sound whisper "I love you"

The fire in your eyes, may it never go out  
The sweetness of your tears make it feel like night  
I see no escape from the roles we always play  
What do we have to prove on this judgment day?

And you're mine now but you're not my sister  
And you're mine now but you're not my slave  
And you're mine but you're not my child  
And you're mine now but you're not my slave

You're missin' the whole point, you're not my little pet  
Don't throw away your life, the game's not over yet  
I do not own your soul, don't want you in a cage  
I only want your heart to find that special place

You're missing the whole point, you're not my little pet  
Don't throw away your life, the game's not over

You're mine but you're not my sister  
You're mine now but you're not my slave  
You're mine but you're not my child  
You're mine now but you're not my slave  
You're mine now but you're not my slave

With sand in my heart and clouds in my head  
I thought about us both and the lives we've led  
From pages in a book and pictures on a screen  
We make ourselves like clay from someone else's dream

One second you are cast just like stones at my feet  
But I am not a King please don't worship me  
With everyone around telling us what to do  
With deafening sound whisper "I love you"

You're missing the whole point, you're not my little pet  
Don't throw away your life, the game's not over yet  
I do not own your soul, don't want you in a cage  
I only want your heart to find that special place

You tried to get away  
This is not a party  
Where people know your name  
This is not a classroom  
With teacher at the board  
This is not a catshow  
With prizes at the door

Go, Don't you go  
Won't you stay with me one more day  
{If we get through one more night}X4

This is not a horse race  
Where winners beat the time  
This is not a funeral  
With mourners in a line  
This is not a sitcom  
Where everything's alright  
This is not a prison  
With terror through the night.

Go, Don't you go  
Won't you stay with me one more day  
{If we get through one more night}X4

This is not the first time  
(You tried to get away)  
This is not a party  
(Where people know your name)  
This is not a classroom  
(With teacher at the board)  
This is not a catshow  
(With prizes at the door)

Go, Don't you go  
Won't you stay with me one more day  
{If we get through one more night}X4

Go, Don't you go  
Won't you stay with me one more day  
{If we get through one more night}X4

## Made In Heaven

I'm taking my right with destiny  
Willing to play my part  
Living with painful memories  
Loving with all my heart

Made in heaven, made in heaven  
It was all meant to be, yeah  
Made in heaven, made in heaven  
That's what they say  
Can't you see  
That's what everybody says to me  
Can't you see  
Oh I know, I know, I know, that it's true  
Yes it's really meant to be  
Deep in my heart

I'm having to learn to pay the price  
They're turning me upside down  
Waiting for possibilities  
Don't see too many around  
Made in heaven, yes made in heaven  
It's for all to see  
Made in heaven, made in heaven  
That's what everybody says  
Everybody says to me  
It was really meant to be  
Oh can't you see  
Yeah, everybody, everybody says  
Yes it was meant to be  
Yeah, yeah

When stormy weather comes around  
It was made in heaven  
When sunny skies break through behind the clouds  
I wish it could last forever, yeah  
Wish it could last forever, forever

I'm playing my role in history  
Looking to find my goal  
Taking in all this misery  
But giving it all my soul  
Made in heaven, made in heaven  
It was all meant to be  
Made in heaven, made in heaven  
That's what everybody says

Wait and see, it was really meant to be  
So plain to see  
Yeah, everybody, everybody, everybody tells me so  
Yes it was plain to see, yes it was meant to be  
Written in the stars...  
Written in the stars...

## Preacher

When I was a kid I used to buy and sell gravity  
I knew how to fly, and I would teach you for a fee  
Broke every window in my hotel heart  
When I was only 5 years old, the 12 years scar  
I'd hear the same voice, echo in my mind  
See son you got an angel, to chase the devil at the night

When I was a kid, my grandfather was a preacher  
He'd talked about God, yeah he was something like a teacher  
He said "God only helps those who learn to help themselves"  
He was a million miles from a million dollars  
But you can never spend his wealth

I took a little faith and put it in a parking lot  
I drove to a strange town full of have and have nots  
Yeah, and as I walked through that story book of life  
I've been looking for an angel  
To chase the devil at night, whoa

When I was a kid, my grandfather was a preacher  
He'd talked about love, yeah he was something like a teacher  
He said "God only helps those who learn to help themselves"  
He was a million miles from a million dollars  
But you can never spend his wealth

{ Wave, put your hands up and hands down } X2

When I was a kid, my grandfather was a preacher  
He'd talked about life, yeah he was something like a teacher  
He said "God only helps those who learn to help themselves"

But you can never spend his wealth

He was a million miles from a million dollars

## Poison Heart

No one ever thought  
this one would survive  
Helpless child, gonna walk a drum beat behind  
I lock you in a dream  
I never let you go  
I never let you laugh or smile, not you.

Well, I just want to walk right out of this world,  
'Cause everybody has a poison heart  
I just want to walk right out of this world,  
'Cause everybody has a poison heart.

Making friends with a homeless torn up man  
He just kind of smiles, it really shakes me up.  
There's danger on every corner but I'm okay  
Walking down the street trying to forget yesterday.

Well, I just want to walk right out of this world,  
'Cause everybody has a poison heart.  
I just want to walk right out of this world,  
'Cause everybody has a poison heart,  
a poison heart, a poison heart, a poison heart ... yeah!

You know that life really takes its toll  
And a poet's gut reaction  
is to search his very soul  
So much damn confusion before my eyes,  
But nothing seems to phase me  
and this one still survives.

I just want to walk right out of this world,  
'Cause everybody has a poison heart.  
I just want to walk right out of this world,  
'Cause everybody has a poison heart,  
Well, I just want to walk right out of this world,  
'Cause everybody has a poison heart.  
a poison heart, a poison heart, a poison heart.  
a poison heart, a poison heart, a poison heart.

### Pet Sematary

Under the arc of a weather stain boards  
 Ancient goblins, and warlords  
 Come out of the ground, not making a sound  
 The smell of death is all around  
 And the night when the cold wind blows  
 No one cares, nobody knows

{ I don't want to be buried in a pet cemetery }  
 { I don't want to live my life again } x2

Follow Victor to the sacred place  
 This ain't a dream, I can't escape  
 Molars and fangs, the clicking of bones  
 Spirits moaning among the tombstones  
 And the night, when the moon is bright  
 Someone cries, something ain't right

{ I don't want to be buried in a pet cemetery }  
 { I don't want to live my life again } x2

The moon is full, the air is still  
 All of a sudden I feel a chill  
 Victor is grinning, flesh rotting away  
 Skeletons dance, I curse this day  
 And the night when the wolves cry out  
 Listen close and you can hear me shout

{ I don't want to be buried in a pet cemetery }  
 { I don't want to live my life again } x2

I don't want to live my life again, oh, no, oh, no  
 I don't want to live my life again, oh, no, no, no  
 I don't want to live my life again, oh, oh

## Don't Cry Alone

If your heart is breaking  
I'm yours whatever  
I will not forsake you ever  
Don't cry alone.

Through the autumn rainfalls  
I'll be your shoulder  
If the winds of love grow colder  
Don't cry alone.

Surely as the sun sets  
New suns are rising  
As winter heralds spring's horizon  
Don't cry alone.

Don't you ever doubt me you lead  
I will follow  
Sweep away all pain and sorrow  
Don't cry alone.  
No, don't cry alone.

No, don't you ever doubt me  
I'll be there for you forever  
Don't you ever cry  
I'll sweep away your tears and sorrow  
And I will be with you close tomorrow  
I'll be with you

Don't cry alone  
I'm yours  
Don't cry alone

## Open Your Eyes

All this feels strange and untrue  
And I won't waste a minute without you  
My bones ache, my skin feels cold  
And I'm getting so tired and so old

The anger swells in my guts  
And I won't feel these slices and cuts  
I want so much to open your eyes  
'Cause I need you to look into mine

{ Tell me that you'll open your eyes } X4

Get up, get out, get away from these liars  
'Cause they don't get your soul or your fire  
Take my hand, knot your fingers through mine  
And we'll walk from this dark room for the last time

Every minute from this minute now  
We can do what we like anywhere  
I want so much to open your eyes  
'Cause I need you to look into mine

{ Tell me that you'll open your eyes } X8

All this feels strange and untrue  
And I won't waste a minute without you

## Luka

My name is Luka  
I live on the second floor  
I live upstairs from you  
Yes I think you've seen me before

If you hear something late at night  
Some kind of trouble. some kind of fight  
{ Just don't ask me what it was } X3

I think it's because I'm clumsy  
I try not to talk too loud  
Maybe it's because I'm crazy  
I try not to act too proud

They only hit until you cry  
And after that you don't ask why  
{ You just don't argue anymore } X3

Yes I think I'm okay  
I walked into the door again  
Well, if you ask that's what I'll say  
And it's not your business anyway  
I guess I'd like to be alone  
With nothing broken, nothing thrown

{ Just don't ask me how I am } X3

My name is Luka  
I live on the second floor  
I live upstairs from you  
Yes I think you've seen me before

If you hear something late at night  
Some kind of trouble. some kind of fight  
{ Just don't ask me what it was } X3

And after that you don't ask why

## Everybody Wants to Rule the World

Welcome to your life  
there's no turning back  
Even while we sleep we will find  
You acting on your best behavior  
Turn your back on mother nature  
Ev'rybody wants to rule the world

It's my own desire  
it's my own remorse  
Help me to decide  
help me make the most  
Of freedom and of pleasure  
Nothing ever lasts forever  
Everybody wants to rule the world

There's a room where the light won't find you  
Holding hands while the walls come tumbling down  
When they do, I'll be right behind you  
So glad we've almost made it  
So sad they had to fade it  
Ev'rybody wants to rule the world

I can't stand this indecision  
Married with a lack of vision  
Everybody wants to rule the world  
Say that you'll never, never, never, need it  
One headline, why believe it?  
Everybody wants to rule the world

Of freedom and of pleasure  
Nothing ever lasts forever  
Everybody wants to rule the world

## Hard Times

If I could have all the women in the world  
I would take this time to leave

The pressure's on and I'm not some kind of strong man  
So take this thing from me  
Don't give it a second thought

I can see you got better things to do  
So just take your things and leave

{ Hard times  
{(Happiest days of my life)} X2  
Hard times gone by }

Late at night with the darkness here around me  
I'm drinking all alone

Nothing here but my medicine to guide me  
Since I've been on my own

Well, have you forgotten now

Memories that continue to amaze me  
Are all but over now

{ Hard times  
{(Happiest days of my life)} X4  
Hard times gone by }

{ Hard times  
{(Happiest days of my life)} X4  
Hard times gone by }

{ Hard times

## Imbranato

E' iniziato tutto per un tuo capriccio  
Io non mi fidavo era solo sesso  
Ma il sesso è un'attitudine  
Come l'arte in genere  
E forse l'ho capito e sono qui  
Scusa sai se provo a insistere  
Divento insopportabile  
Ma ti amo, ti amo, ti amo  
Ci risiamo vabbè, è antico, ma ti amo

E scusa se ti amo e se ci conosciamo  
Da due mesi o poco più  
E scusa se non parlo piano  
Ma se non urlo muoio  
Non so se sai che ti amo  
E scusami se rido, dall'imbarazzo cedo  
Ti guardo fisso e tremo  
All'idea di averti accanto  
E sentirmi tuo soltanto  
E sono qui che parlo emozionato  
E sono un imbranato  
E sono un imbranato

Ciao come stai?  
Domanda inutile

Ma a me l'amore mi rende prevedibile  
Parlo poco, lo so è strano, guido piano  
Sarà il vento, sarà il tempo, sarà fuoco

E scusa se ti amo e se ci conosciamo  
Da due mesi o poco più  
E scusa se non parlo piano  
Ma se non urlo muoio  
Non so se sai che ti amo  
E scusami se rido, dall'imbarazzo cedo  
Ti guardo fisso e tremo  
All'idea di averti accanto  
E sentirmi tuo soltanto  
E sono qui che parlo emozionato  
E sono un imbranato  
E sono un imbranato  
Ma ti amo
